Oh no, oh no, nonono! What do I do? I-I don't know anything about healing animals!
Oh Charlie, how did this... wait. I think there's something underneath him!
ALICE!
There's not a scratch on her...
I can't say the same for Charlie. He's cut up bad. He must have hurt something inside him.
But you can fix it right? You've gotta! He protected Alice!
He saved my life.
It's a miracle he's not gone already. I could try and patch up his cuts, but I don't know if he'll last that long.

CRRRR...

DEHH...
ZNAH.
WHOA, WHOA! HOLD ON CHARLIE! DON'T GIVE UP! NOT AFTER ALL THIS!
HKKK...
I ONCE HAD A FRIEND... HE HAD SHARP TEETH AND SCARS ON HIS BACK, JUST LIKE YOU. HE WAS TOUGH, TOO!
HE PROTECTED OTHER PEOPLE...THE ONES TOO WEAK TO FIGHT. HE GAVE UP HIS FREEDOM TO GIVE THEM A CHANCE TO GET AWAY.
I WON'T LOSE A FRIEND LIKE THAT AGAIN -- NOT TO SNOW, NOT TO ANYONE.
SKKCKRKLEKRKK!

AAUGH!
